Fall

Today we are embroiled in the most terrific and devastating strife in the history of mankind. This struggle to preserve democracy has made an indelible mark on the minds and hearts of every freedom loving boy and girl in our nation. To every teen aged boy and girl the four freedoms advanced by our late President, namely; freedom of religion, freedom from fear, freedom from want, and freedom of speech are living realisms. We do indeed know for what our loved ones are fighting and valiantly dying. We will carry on where they left off. We will forever preserve and cherish this vast nation with every ounce of strength we can muster.

Winter

Our land is filled with natural beauty. It is an ethereal beauty that no renowned artist can ever touch, or preserve, for the future generations.

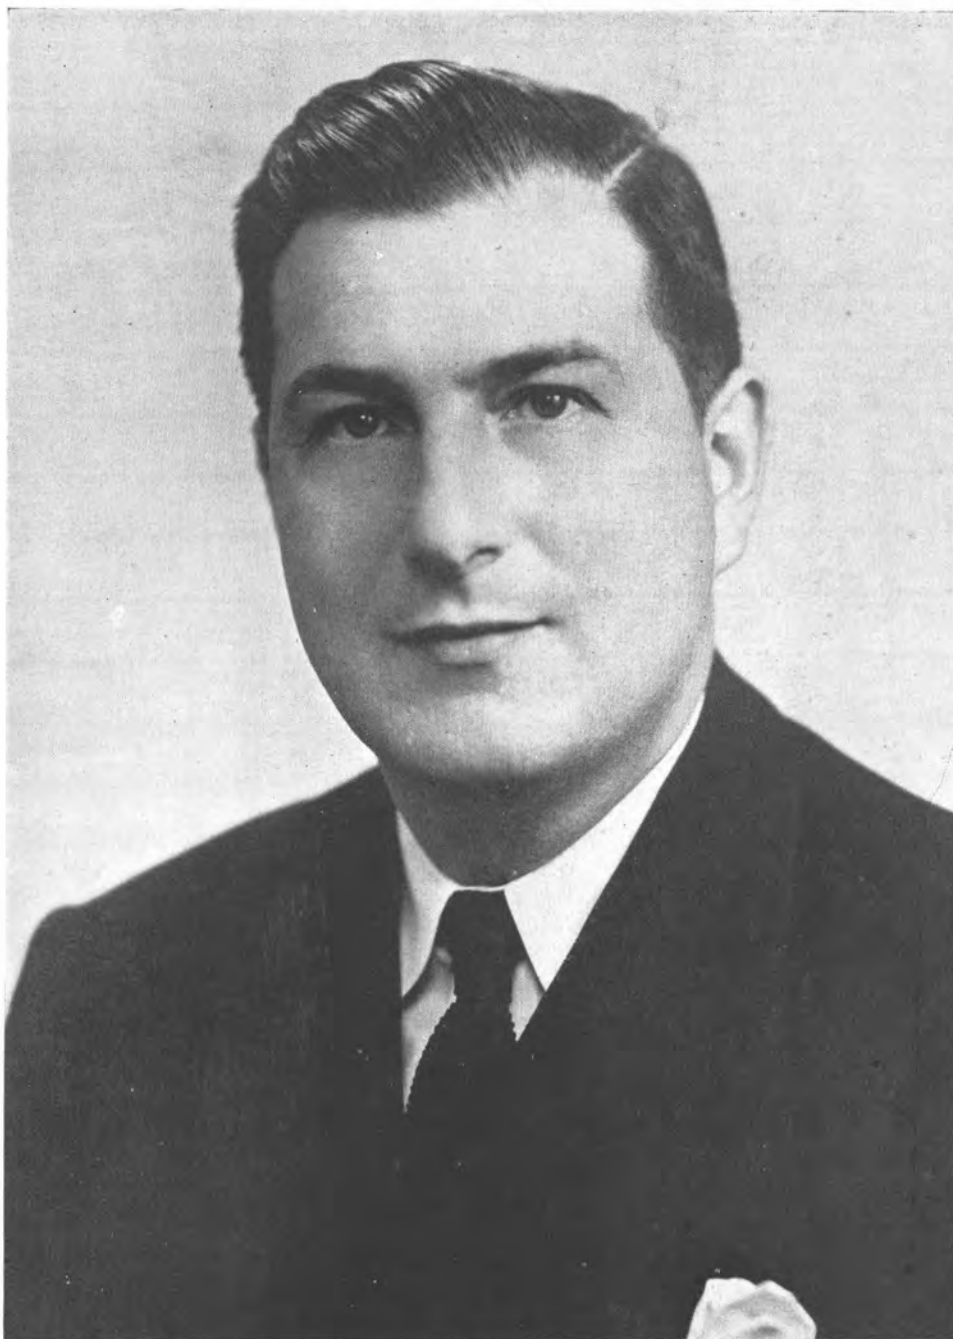

This land of scenic wonder and beauty has inspired many of our great men and women to seek and attain the heights of worked fame. This rich heritage, is ours to boast, ours to protect, love, and appreciate.

Spring

It is this reason that has prompted us in our final year to select nature as the theme of our yearbook. The study of nature teaches us patience, perseverance, assiduity, and all the virtues so vital to a successful life. Years from now as we reflect upon the cataclysm and chaos of our youthful days, we will be proud to know that we were always able to assimilate the beauty and appreciate the tranquility of God's World.

DEDICATION

Mr. SAMUEL BRODY

AS WE, THE CLASS OF 1945, LEAVE OUR ALMA MATER, IT IS OUR HONOR GRATEFULLY TO DEDICATE "THE GAGASHOAN" TO OUR VERY DESERVING ADVISOR, MR. SAMUEL BRODY.

We Appreciate . . .

MISS GERTRUDE FRASER

During this past year the students of East Rochester High School bade a reluctant farewell to an endeared member of our school faculty. There are no words that can express the love and respect that we feel towards her, who through her wisdom, kindness, and understanding, has furnished us with the inspiration we need to seek the best in life.

MRS. KENNETH COURTNEY

In Memoriam

For those of us who knew her, whether student or faculty member, Mrs. Courtney's personality will continue to be an influence, far into future years. Her matchless courage, her spirit of willingness, her sense of justice, her gracious hospitality, remain as ideals for us to follow. She was more than a teacher; she was a true guide and friend.

To warn, to comfort, and command."*

Senior Class History

As we, The Class of Forty-Five, look back upon the last four years in East Rochester High School we can recall with great joy and deep satisfaction the fun we have had together and the numerous achievements that we have successfully accomplished.

In the fall of 1941 we began our Freshman Year and under the capable and untiring guidance of Mr. Brody, we soon entered into the spirit of high school days. The majority of our members joined the various school organizations and received many benefits as a result.

When we became Sophomores we realized more fully our purpose and duties as a class. We worked hard but we also had fun. Our outstanding social event of the year was our highly successful "Sophomore Hop".

In the fall of '43 we entered our Junior Year. We proved that we were capable of doing our part in this world crisis by maintaining a one hundred per cent record in war stamp sale and entering wholeheartedly into the Red Cross activities. Socially, due to the superb co-operation of the class members the "Rainbow Prom" proved to be the outstanding event of the year.

As Seniors, our first important business was to select officers to serve as leaders of our class. We chose Richard Steubing for our President, Fred Leeper as Vice-President, and Frank Vandembush as Secretary-Treasurer. James Bleier was elected President of the Students Association, Ted Pella as Vice-President; Charles Feltz and Romeo Dianetti were chosen as our representatives on the Student Council.

Our Senior magazine campaign proved very profitable and showed that we have many capable salesmen in our class. Next was our well-known "Spanish Fiesta". This breath-taking and original theme was depicted at our Senior Ball which is one event that will always linger joyfully in our memories.

Many of the boys of our class were outstanding in sports and are hailed as leading athletes not only by their classmates but by everyone that knows of the numerous honors they have brought to our school.

This year as in past years we maintained one hundred per cent co-operation both in War Stamp Sales and in Red Cross activities. We regret that several members of our class are not with us this year but we are proud that they have entered the Armed Forces and are doing their part in behalf of their country.

We should like to offer a special note of thanks and gratitude that comes straight from our hearts. It is directed to Mr. Potter, our principal, who throughout our high school days has constantly kept our interests in mind; to Mr. Obourn, our superintendent; to Mr. Brody, our advisor; to Miss Cohen, assistant in our home room; and to all of the faculty. For their deep understanding, kind ways, and untiring assistance, the Class of 1945 will always remember them.

As we now bid farewell to the halls of East Rochester High School, the words of our Alma Mater begin to ring forever in our hearts:

*"Our Alma Mater
Reverenced be thy memory
Thy name we honor
Love we pledge to thee."*

The Class of Nineteen

We are the members of the "Class of '46." Last September we really began functioning as a class when we took over the 202 homeroom. Since then our members have participated in every type of organization in school, and have gained for themselves a notable reputation.

For class officers, we elected an all-male cast—Herbert Collins as President, Lorne Smyth as Vice-President, and Robert Schiefer as Secretary-Treasurer. Our student council representatives were Marie O'Brien and Thomas Arielly. They have done a great job and we are proud of them.

In musical organizations we Juniors have really excelled. Nearly one third of the Band is composed of Juniors, and there is a very good number in the Orchestra. Our representation in the Glee Club and Mixed Chorus is also excellent. Many of our classmates were chosen to attend the All-State Music Festival at Cortland.

We mourn as a great loss to our Class of '46, our former classmate, James Ferrimani, who was killed in action. Our best regards and wishes are extended to our classmate, Arthur Archambo, who has gone into service.

As this goes to press, the Junior Class is looking forward to its annual Prom. This year, we are certain that it will top all that has ever been done before in the history of any class.

Last, but certainly far from least, the "Class of '46" would like to thank Miss Maxon for her remarkable patience and needed counsel in our past three years of high school.

The Class of Nineteen

In September of 1944 a group of 8th graders were suddenly jolted into the serious task of securing a high school education for themselves as high school Freshmen. This group became known as the "Class of 1948", a class with a destiny to be written in emblazoned letters in the annals of East Rochester High School.

In their Freshman year the Class chose Deirdre Rigby, President; Charles Merwin, Vice-President, and Leo Beltracchi, Secretary-Treasurer and sent Charles Merwin and Gasper Costantini to the Senior Student Council.

In addition to the usual Boys' Intramural's competition the class was successful in placing two of its members on the Reserve Basketball Team. At this time many of our boys are trying out for the baseball team. The girls have had a successful season in volleyball, basketball, and other various sports. We have also six of our members in the band and orchestra and about half the class in the mixed chorus.

Under the capable leadership of our class advisor, Miss Bronte, we hope to retain the reputation we have already made. She has talked with us and has helped us in our activities. We wish to extend, to her, our sincere thanks.

Embodied in the democratic spirit of government is the representation of the masses of people. This system which we employ in our country is the nearest thing known to a true and perfect democracy.

Carrying out the demands of the students in East Rochester High School is the organization known as the Student Council, which is composed of students elected by popular vote from the home rooms.

From four students chosen by the preceding council a President and Vice-President are selected early in the school year by vote of the entire school. For 1944-45, James Bleier was elected President and Theodore Pella, Vice-President. The council chose Joan Lang as Secretary; Student Treasurer, Gilda Sinopoli.

During the term the cheerleaders were picked, candidates for election next term were considered, and miscellaneous undertakings such as the safety patrol considered.

We hope that students, by participation in the election of any candidate for any task, will gain the necessary knowledge and experience to cope with such problems as a world wide security organization needed for preservation of world-wide peace.

Junior Red Cross Council

The Junior Red Cross Council was reorganized this year with some new members and many former ones. Jean Vogel was chosen President; Bernadine Dianetti, Secretary; and Lyman Straight, Treasurer.

Production for the year was planned with the assistance of Miss Frances Carothers, Chairman of Production. Most of the work was for hospital use.

A membership drive in November undertaken by Miss Theoda Maxon, resulted in 1440 members and \$192 in funds. A part of this money remained with our chapter to use in purchasing materials.

A drive for good used clothing, Chairman of which was Miss Sara Wilson, brought in 52 bags of clothing.

Since the treasury showed a substantial balance from the paper collections of last year, the Council voted to give \$100 to the Servicemen's Committee and \$100 to the Children's Fund for use by children in war torn areas.

When the War Fund Campaign opened in March, '45, the Council held an auction of donated baked goods, foods, books, animals, and many other things and cleared \$240. The school voluntarily gave \$293 so that our gift totaled \$533.

Enthusiasm and work have been evidenced by the supplies finished this year. Chairman of the Junior Red Cross in the school is Mrs. Lucile Saunders.

Membership in the National Honor Society by any high school student is a lasting honor and a help to success in the world.

The high ideals of scholarship, co-operation, leadership, character, courtesy, and service, are synonymous with our standards for the American way of living. It is the duty and pledge of each member of this society to live up to these virtues and instill them in the minds of all American youth.

We are sincerely grateful to the faculty members: Mr. Potter, Miss Fraser, Mrs. Saunders, and Miss Wilson, whose patience and guidance were very essential factors in the completion of a successful year.

Our officers were: President, Sophie Andrychuk; Vice-President, Barbara Steve; Secretary, Nancy Schuler; Treasurer, James Bleier.

The Senior Band, one of the most outstanding organizations of our school, has participated in many of the school activities. This year the members of the band were fortunate in being able to play at the Sports Arena for two of our most important basketball games as well as the home basketball and football.

Lester Slocum, Bill Clay, Tom Harter, Tony Miceli, Ermina Perry, Roy Grover, Bill Gilbert, Gerry Smyth, James and Ronald Melville, and Don Bueg represented us in All-State Band at Cortland.

The officers of the band are: President, Lester Slocum; Vice-President, Frank Vandenbush; Secretary, Jean Lindsay; Librarians, Barbara Steve, Ronald Melville; Managers, Eugene Brown, Don Bueg.

We were also ably assisted by our Drum Majorettes, Pat Lindsay and Sally Seward, who have successfully led the Twirling Corps.

Senior Band . . .

Orchestra . . .

The orchestra has improved greatly this year, through the experience gained from the "Pinafore" music, which was difficult but well mastered. As well as accompaniment for the cast of the operetta, "Pinafore," the orchestra had displayed its ability at the concerts and at baccalaureate and graduation exercises. A number of the members attended the music clinic this year at Auburn. Above all else we must attribute our success to Mr. McConnell for his skillful leadership.

Our officers as elected were: Tony Miceli, President; Jean Ulmer, Vice-President; Joan Courneen, Secretary; Lynette Relyea, Librarian.

Girls' Glee Club

This club composed of about sixty girls, elected Caryl Schenk, President; and Sally Seward, Secretary.

Three members, Gweneth Longcoy, Irene Dutko, and Anna Arcuri, attended the Music Clinic at Cortland, New York. Gweneth Longcoy and Anna Arcuri competed for and won solo parts in one of the numbers.

Leading roles in "Pinafore" were won by three of our members: Irene Dutko, Mary Alice Piscini, and Anna Arcuri.

Girls' Glee Club sang in the fall concert. Thirty members, as the result of try-outs, became members of the chorus for "Pinafore".

In answer to an urgent plea that our high school boys have an opportunity to meet and sing together, the Boys' Glee Club was organized. No time was available in the schedule so meetings were held two times a week.

Their first public appearance was at the fall concert at which they sang three numbers with Tom Aquino as leader and Miss White accompanying.

It is hoped that this enthusiastic organization will continue and flourish.

Boys' Glee Club

Mixed Chorus

The mixed chorus was composed of over sixty members which had a very successful year.

The first memorable occasion of the year was when fifteen chorus members went to Cortland to attend the annual music festival. Those who attended had a very enjoyable and instructive experience that they will always remember.

In the winter concert, held on December 7th, the chorus gave a fine and inspiring performance which was later repeated for the benefit of our annual Christmas Assembly.

The most outstanding musical accomplishment of the school year with the orchestra was the presentation of the operetta, "H.M.S. Pinafore," on the 10th and the 11th days of May.

Every chorus member has felt deep appreciation for the skilled leadership Miss White has shown through-out the year. We all hope that the good fortune of the mixed chorus will continue for years to come under her direction.

In 1944-45 the Latin Club has been very successful. Last September we started the year off right by electing the following officers: Consuls Barbara Clay, and Geraldine Smyth; Scriba, Elizabeth Tuttle; and Aedile, Joan Lang. The meetings, held the first and third Wednesday of every month, have been both interesting and entertaining. Refreshments were served to stimulate attendance.

Under the inspiring and able guidance of our advisor, Miss Fritz, the Latin Club has completed another successful year. We all hope it will continue to maintain the excellent record it has achieved so far.

En cada tierra su uso, y en cada casa su costumbre.

Every land has its usage, and every house its custom.

The Spanish Club, under the capable and ever interested guidance of Miss Bronte, enjoyed its second year of existence in East Rochester High School.

The purpose of our club is not only of a social nature but also one that enables us to understand and appreciate more fully Spain and the South American countries in respect to their language, people, and customs.

Meetings were held every other week and all interested members of Spanish classes were invited to join in the fun and receive the many benefits that could be obtained.

Presiding over our meetings were Nancy Schuler, President; Ronald Conners, Vice-President; Gerald Sampson, Secretary; Christine Hoto, Treasurer; and Sally Lee Black, Social Chairman.

The Library Club is composed of girls who devote one study period each day to work in the library. Their duties are to check books in and out of the library and to keep the sections of books in order.

At the October meeting the following officers were chosen: President, Kathryn Forbes; Vice-President, Catherine Grant; Secretary-Treasurer, Gweneth Longcoy.

The Library Club

Debate Club

This year an entirely new organization was formed for the purpose of bringing to the front vital questions of the day and giving the youth of our school a chance to express their views on these problems.

At every meeting, two members state the "pro" and "con" for the subject being discussed; after which an open discussion period is held. Then a vote is taken to decide the result, a simple majority ruling. Some of the more interesting topics discussed are the "Work Fight Bill" and "Military Conscription after the War."

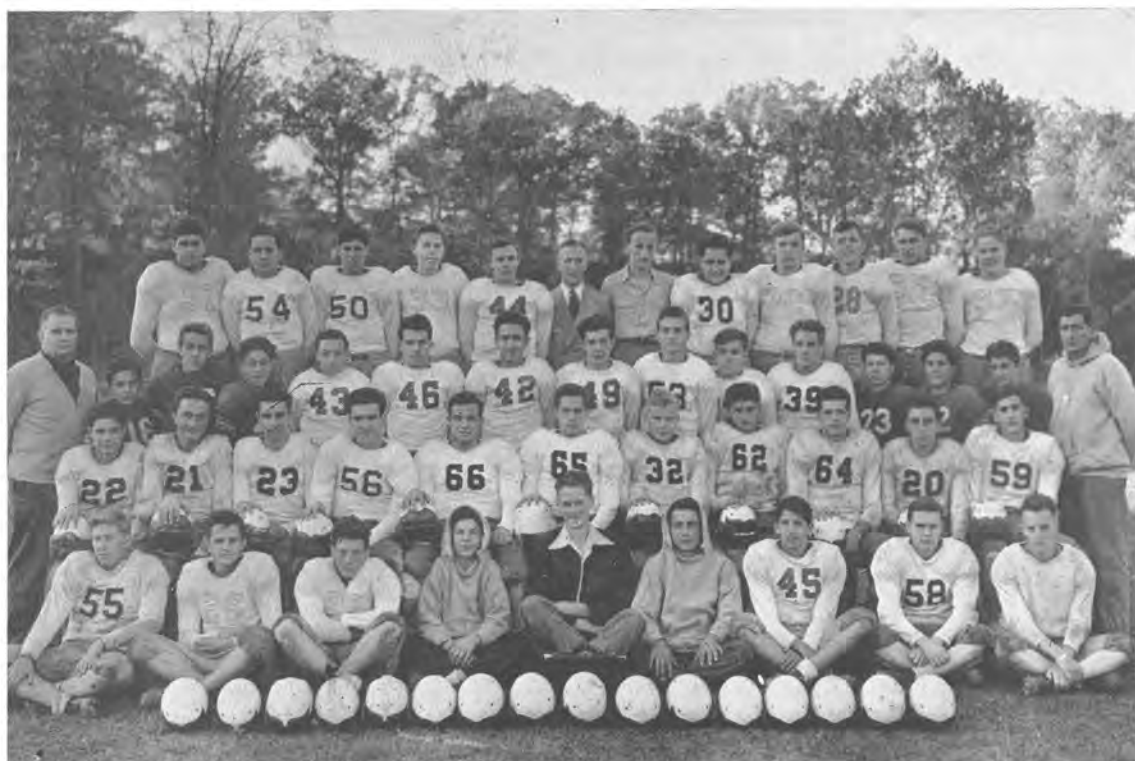

Miss Bentley is the advisor for the new club, and the officers are as follows: President, Barbara Steve; Vice-President, Peter Pierce; Secretary-Treasurer, Ted Pella.

This club is already well-established in the high school, and is certain to continue as a popularity among civic-minded students.

The past four seasons in football have brought to the East Rochester High School grid fans a record of which everyone in this school should be proud. Each of the last four years has seen the Brown and White eleven tie or win the Monroe County football toga.

The team was very powerful both on the line and in the backfield, as was proved when five East Rochester players were honored with positions on the Monroe All-County football team. These boys were: Bud Parish, center; Gino Filiaci, guard; Steve Scarfone, tackle; Jack Dianetti, backfield; and Moe Vincent, backfield.

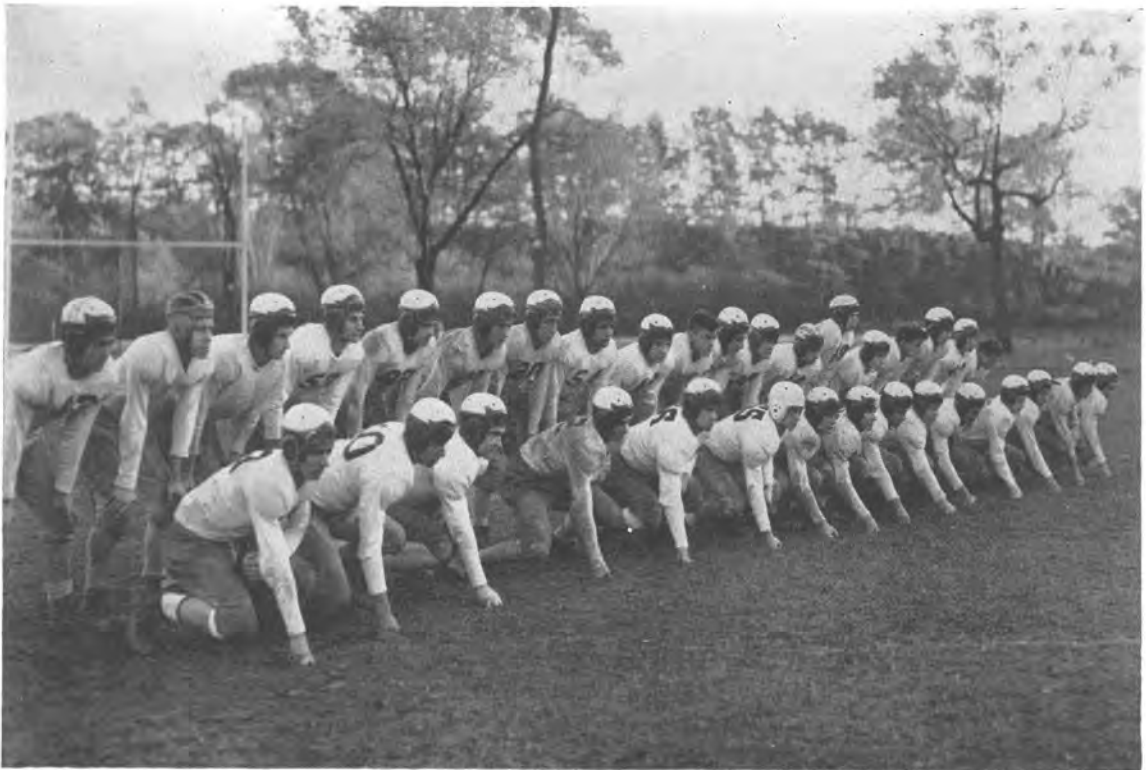

Football . . .

Taking the place of Pompey-bound Ray Skinner was Mr. Samuel Brody, senior class advisor and business teacher. Mr. Brody took over the reins of a highly touted high school eleven and pressure was on him throughout the season to bring forth a winning team. Losing only to a revenge-ridden Brighton squad he did this with flying colors, the teams sharing the championship of Monroe County.

Many thrills throughout the season include the scintillating runs of Mose Vincent and Jacky Diannetti, the hard charging and blocking of Steve Scarfone and the two touchdowns by intercepted passes of center—Bud Parish.

These all contributed to a highly successful and spine-tingling season that will be well remembered in the annals of football history at East Rochester High School.

In the fall of forty-four, the Leaders' Club, under the guidance of Miss Benton, elected the following officers: President, Barbara Steve; Vice-President, Sally Seward; Secretary, Christine E. Hoto.

The first sport of the season was tennis, the championship of which was won by Nancy Schuler. Following tennis was soccer, the winning team being Marie Chinelly's. A few Seniors and Juniors attended a soccer playday at Penfield. Our next sport was basketball. The championship was won by Barbara Steve's team. An honor basketball team was chosen which consisted of the following members: Forwards—Yvonne Julien, Nancy Schuler, and Christine Hoto. The guards were Barbara Steve, Helen Casaccia and Alice Piscini. The volleyball championship was won by Alyce Reisman's team and the baseball championship by Yvonne Julien's team.

The following girls were managers of girls' sports: Tennis—Barbara Clay, Soccer—Mary Jane DeFelice, Basketball—Barbara Clay, Ping-Pong—Nancy Schuler, Volleyball—Barbara Steve.

This ended the successful season of '44-'45.

Brown and White

Due to the shortage of paper, the Brown and White has been able to have only four issues. However, these four issues proved to be bigger and better than before.

The Brown and White this year has had one of the largest staffs in its history. No special recognition can be given to any one group as they all did their required tasks very well. Although many problems in wartime restrictions confronted them the leaders did a superb job in producing only the best.

Orchids go to our advisors: Miss Rice, Miss Bourne, Miss Beardsley, and Mr. Keating. Without their untiring leadership, the Brown and White could not have succeeded.

Coach Sherman Reed this season had a reserve basketball team, which, although small, showed a great spirit, one which made East Rochester again proud of the Varsity's "little brothers".

Starting with a team composed of Juniors, Mr. Reed later changed his starting lineup to Richard Gratton, a high scorer; Albert Dianetti, diminutive forward; Nick Redanty, capable center; Tom Lawrie, pop-shot specialist, and Peter Nicolucci, a good team man.

Although the reserves lost two games to Brighton, both games were very close and very thrilling.

Jack Dianetti went up to the first team after he had displayed good qualities and proved a help to the Varsity.

Clarence Allen, Vernon Fitzgerald, and Ted O'Brien also turned in good performances.

All in all the team had a successful season and Mr. Reed has our congratulations for the fine job he did.

Reserve Basketball . . .

Varsity Basketball . . .

Another outstanding season in basketball was brought to East Rochester High School with the team becoming runner-up to Irondequoit High School, Monroe County Champions, with a record of fifteen victories as against three defeats.

This season saw a new system in the league. Instead of one whole season, the schedule was divided into two halves; the winner of the first half playing the winner of the second half. Irondequoit won the first half with six victories and no defeats; however, a three-way tie ensued for the second half title, East Rochester, Brighton, and Irondequoit being the teams. In the first playoff game Brighton vied with Irondequoit, who won by two points. Next, in the most thrilling game of the season, East Rochester and Brighton played, the Brown and White team winning, 27-25. This made our team the champions of the first section. However, since Irondequoit had won the first half, we still had to meet with the Baysiders to determine the Monroe County Champions. Playing at the Edgerton Park Sports Arena in a hotly contested game, Irondequoit won, 31-24, ruining East Rochester's second successive attempt in as many seasons to enter the Section V Basketball Tournament.

In molding the starting quint, Coach Sherman Reed took four veterans from last year's team, along with a newcomer; and to supplement the roster had one veteran, six reserves, and a Senior as the material to work with and proceeded to knit a well-oiled and highly co-ordinated basketball team. With only two players six feet in height, the team was at a disadvantage against its taller adversaries. However the E. R. aggregation made up this deficiency by a hard, driving, fighting brand of basketball which gave East Rochester fans many a thrill they will never forget.

Although this spirit predominated on the team, there was never a lack of sportsmanship and co-operation which helps to make a successful season in any sport.

In the spring of 1944 a new science club was formed. The fifteen charter members of our first year expressed the desire to gain further knowledge of scientific procedure. Therefore at our meetings, which were held every other week, experiments were performed by the various members. The club also visited a museum.

In our first year we accomplished a great deal under the able supervision of President Jerry Sampson, Vice-President Henry Harded, and Secretary Betty Plummer. The following efficient officers were selected at the beginning of this year: President, Jack Boorman; Vice-President, Helen Rohack; Secretary, Eleanor Pettit; Treasurer, Joan Lang; and Club Reporter, Lorraine Julien.

We are deeply grateful for the great help and effort extended to us by our advisor, Miss Cashion.

Junior Council . . .

The Junior Council is the governing and advisory group of the 7th and 8th grades. The officers elected by each homeroom are members of the council. It is their duty to represent their classmates and to report to them any decisions reached at council meetings. At a popular election, Peter Scorza was chosen President; Joe Schillaci, Vice-President; and John Hyland, Secretary. The group has worked to improve citizenship and to increase the enjoyment of school life through participation in school affairs.

Since the Stage Crew was so closely related to the Masque and Wig, this year the two organizations were joined together under the leadership of Mr. Carl Graboske. Both clubs went all out in producing the annual spring play "Janie."

The Stage Crew and the Masque and Wig still elected separate groups of officers due to the diversified tasks the two clubs were called on to perform.

Stage Crew elected: President, William Blood; Vice-President, Herbert Collins; Secretary-Treasurer, Mary Jane DeFelice.

The Masque and Wig elected the following officers: President, Yolanda Acciari; Vice-President, Catherine Grant; Secretary, Audrey Ann Lowe.

The play "Janie" was truly one of the outstanding events of the season. It portrayed the life of a young girl typical of our times, and the problems that she faced when an army camp moved to the outskirts of town.

Besides the play the Stage Crew has played an important role in all the assemblies. We have had a successful year, may luck be with these clubs in the future.

Winning five games and losing three, the East Rochester baseball team bettered their 1943 record by a great deal.

Both the hitting and fielding were good, with Dewey King supplying much of the batting punch. He hit for extra bases consistently and did a commendable job around first base.

The rest of the infield showed one more senior and two juniors, and the switch early in the season of George Archambo to third base and Nick Verzella to second base improved the team much, as George has a strong arm and is a steady fielder.

The outfield was manned by three seniors; Art Gebhard, playing his third year as a regular; Melvin Lesiten and Howard Hitchcock. All were good fielders and their ability to peg a long ball to the plate helped in numerous instances.

The catching was a shining spot, as the war hero, Louis Agosto, held down this position with his usual steadfastness. His catching has been one of the best in the last decade because of his experience in handling pitchers and his spirit which aided the team considerably.

Lionel Courtemanche, a young Sophomore, was the finest line pitcher, with Sam Urzetta, Fred Leeper and Richard Gratton filling in. Lionel's blazing fast ball enabled him to hold his position as starting pitcher and Mr. Brody is looking forward to a better season this year.

Baseball 1944 . . .

Track . . .

Although, as a whole, the track season terminated without a win in an inter-school meet, Mr. Carl Graboske's team could not be judged as a complete failure.

Due to two individual stars, East Rochester managed to cop important places in the County and Sectional Track meets. At the U. of R. track field where the Sectionals are held yearly, Jack Dianetti, a young promising star, took first in the mile run, one of the most important events of the meet. In this mile run, Jack beat out Don Dohl of Brighton in one of the most thrilling races in many a year. Also Gino Filiaci took a first in the Shot-put event. Nicky Verzella and Kenny Price both had fourths in the 440 and 220 hurdles respectively, to complete the laurels gained by our track squad in the Sectional meet.

The County games saw young Dianetti again winning the mile and Filiaci making a second in the shot put.

We can hope for a more successful season in the year of 1945 because of the many younger enthusiasts in the lower grades who like track and are developing throughout their high school careers into Varsity material.

Back Row: Mr. Graboske, Bleier, Blood, Arielly, Conners, Collins, Montcrieff, Courtemanche, Julien, Harded, Calabrese. *Second Row:* Vogel, Leeper, Vandebush, Bechard, G. Archambo, Archambo, DiMartino. *Front Row:* Lalopa, Filiaci, Barbero, Vincent, Specia, Spinder.

O'Brien, Sampson, Fitzgerald, DeVogler, Firth, Connors.

The 1944 season was fairly successful. Matches were played with Clyde, Palmyra, and Brighton. The latter was the only team besides ours in the county.

Gene Little did a nice job on first singles. Jack Erwin and Bud Parish alternated at second singles. Doubles was played by Paul Nortier, Bud Parish, and Jack Erwin. Bud and Paul represented the school in the County.

We are very grateful to our capable and experienced coach, Mr. Johnson.

Coronation . . .

Long live the King and Queen!

Inaugurating a new precedent in this year nineteen hundred and forty-five, the entire six years of our high school had the privilege of participating in the annual election of our Olympic King and Queen. The result of this election was the coronation of his majesty Moe Vincent and her majesty Lynette Relyea by Archbishop William Blood in an impressive ceremony on the eighteenth of May. The attendants in their respective order were: Ted Pella, Richard Steubing, James Bleier, John Pullano, and Bill Specia. The ladies-in-waiting were: Lillian Ransco, Patricia Lindsay, Helen Scarpino, Martha Scarpino, and Yvonne Julien.

A program of gaiety featuring a "truth and consequence quiz" followed the official presentation of the crowns.

This program was supervised by our own Mrs. Saunders who made it a memorable occasion for all who attended.

Back Row: Bleier, Specia, Pullano. *Second Row:* Steubing, Julien, Scarpino, Ransco, Lindsay. *Front Row:* Blood, Vincent, Relyea, Scarpino, Pella.
